Please ask your child to put the **full name of the person, and their class**

Thank you

Thank you to Amanda from Simpsons our building contractors, who came into school to do workshops with the children from class 1 & 2.

The children really enjoyed building tetrahedrons in the classroom and learning a lot about building materials.

Sickness

Can we please ask that if your child has vomiting and diarrhoea that you keep them away from school for 48 hours. Thank you.

Building Update

The internal building project is on schedule. However the outside work on the playground has been delayed and will not be finished until next term.

Please note : - there are 2 training days at the beginning of next term **7th and 8th** of January to allow time to move into the new rooms.

Wellies in a bag

Please can all children bring a coat and wellies to school **every day** in a named plastic bag .

Children need these to go into the woods whenever we can as we have no outdoor play space.
Thank you
