

Class 1's Welburn Way Home Learning Plan

	Welburn's Ethos	Suggested activities
W	wonder	I wonder which materials you recycle in your house? I wonder if you can make anything from your recycled materials? I wonder what you would like to find out about?
E	explore	What facilities are in your village or town? Is this the same as a big town? What might you see there? Draw a map or build an imaginary town. What facilities would you have? Which 2D and 3D shapes can you find in your house?
L	learn	Practice counting in 1s, 2s, 5s and 10s. Can you write all your numbers the right way round? Can you make a pretend shop and use real coins to pay for things? Can you read some simple books? Can you write or draw a diary while you are not at school?
B	belong	Do something with your family. Can you make some sandwiches? What does everyone like? Can you bake something together? Why don't you play a board game together? Can you make up a game in the garden? Can you make a card to send a relative? Share lots of story books.
U	understand	Watch a film or listen to a story. Can you talk about the characters and the setting? Can you talk about other stories that are similar? Explain the difference between human and physical geographical features to an adult. Explain how to mix different colours using paint or food colouring in water.
R	respect	Can you help your family with some jobs? Maybe make your bed, tidy your toys or fold some washing.
N	nurture	How can you look after your environment? Can you help look after a pet? Can you sort the recycling out? Maybe you could grow some seeds in a pot or the garden.
