

THE WELBURN WEEKLY

Ethos Statement: I can take care of the animals and plants in my world.

Collecting Children from School.

Please can we remind everyone of the staggered start times at the beginning of the school day.

Sycamore 8.45 am

Beech 8.50 am

Oak 8.55 am

Younger siblings can be dropped off with the older child. Thank you .

Castle Howard

Sycamore class enjoyed an afternoon walk to Castle Howard garden centre. Then each group spent a maximum of £10 on seeds and plants for the garden.

If you have any spare seedlings/ plants we can certainly use them.

SUMDOG COMPETITION

A new Sumdog competition begins today. Please encourage your child to take part in this fun online maths activity. Please contact the office if your child has lost their username/password reminder

PE

Please can all children have a change of shorts, tee shirt and shoes for PE. With the warmer weather please can they have their kit in school everyday.

Social distancing

Please remember when collecting and dropping off at school that the country-wide rules on social distancing and social gatherings are still in place.

Please also use the one way system

PARKING

Please can we ask all parents to continue to park considerately. Plenty of parking towards Bulmer junction.

The Crown & Cushion car park is still available for parents to use from 8.30am for dropping off children and also at school pick up time.

Please do not park opposite the zigzag No Parking lines as this blocks the road.

Please park and walk
