Parent Governor forms and Author Visit

Covid Update

As you will have heard from the news there have been changes to the Government Covid regulations. There is however no change to Government Covid Guidance in terms of pupils or staff who have symptoms or test positive.

In line with the above guidance and North Yorkshire local authority risk assessments we will still;

- Require children who display symptoms to be collected by parents and recommend that they take a PCR test.
- Isolate children with symptoms in school until a parent can collect.
- Expect children/staff to remain at home until two negative tests after day five or ten day's isolation whichever comes soonest.
